New Technology Advances Valley View Patient Care

The Valley View Foundation is thrilled to announce the 2025 Advanced Technology Initiative. Bolstered by the generous support of our donors, the Advanced Technology Initiative equips the expert providers across the Valley View network of care with the technology and equipment they need to continue providing innovative, high-quality care to our region and beyond.

Each year, clinical teams throughout Valley View determine the equipment they need to deliver care to their patients. This year, needs range from monitors to care for new mothers and their babies, a portable life support system for patients experiencing cardiac and/or pulmonary failure, new weight-assessing stretchers for the Emergency Department, and more. Philanthropic support will also support Valley View in implementing a new organization-wide Electronic

Letter from John Stelzriede, Valley View Foundation President

Allow me to introduce myself. My name is John Stelzriede. I have been given the incredible opportunity to help continue the great work that past President, Patti Miely, and the existing Valley View Foundation Board of Directors and staff have been doing for many years. I am the new President of the Valley View

Foundation and certainly have some big shoes to fill. I have been involved with the Valley View Foundation since 2017 as a Finance Committee member and I have been on the board since 2022. During my time on the Finance Committee and with the Board of Directors, I have come to know and appreciate the professionalism of the Valley View Foundation staff, committee members and board members. I am truly fortunate to be a part of this team.

As my first order of business, I would like to thank Patti for her years of service in helping to push forward excellence in health care through

her work at Valley View and the Valley View Foundation. Patti has been an appreciated and influential mentor to me during my time on the board. I would also like to thank Donn Willins for his time on the Valley View Foundation Board. His strong advocacy for Valley View has been greatly appreciated and Donn will be missed.

While we have two longtime board members stepping down, their departures bring about opportunity for new board members to come aboard with their own unique strengths and perspectives to help us achieve what lies ahead.

Please welcome to the board, Sandy Klein and Dr. Paul Salmen.

We are excited to work with both Sandy and Dr. Paul as we look down the road to 2025 and beyond.

With gratitude,
John Stelzriede

Letter from Dr. Brian Murphy, Valley View Chief Executive Officer

Thank you so much for supporting Valley View in our mission to care for you and your family, one patient at a time. From annual wellness checks to comprehensive cancer treatment, we are proud to be the choice for your care. By honoring that care with philanthropic gifts,

we advance our work to further benefit you, your family and friends.

This past year, we celebrated a coveted Five-Star Rating for Overall Hospital Quality from the Centers for Medicare and Medicaid Services (CMS). Valley View is one of only 17 hospitals in Colorado to receive the highest possible rating. This award highlights our patient-centric approach to health

care, guided by values such as safety, quality and service to the community. Additionally, as reported in Becker's Hospital Review, Valley View Hospital had one of the lowest 30-day mortality rates for heart attack patients in the U.S. Indeed, we were among the top 10 hospitals in the country for lowest mortality rates among heart attack patients.

These recognitions reflect the expertise and work of so many at Valley View and the incredible partnership of you, our donors. Your continued support and generosity will continue to fuel excellence at Valley View.

With heartfelt gratitude,

Brian Murphy, MD
CEO, Valley View

Why We Give: Jeff and Nancy Carlson

In 1979, coming from Kansas City, Missouri, and having given birth to our first child in a large research medical center, we moved to the small mountain town of Glenwood Springs where we would have our second child within a couple months. We visited Valley View Hospital just so we would be familiar with it. It was so small that it took about three minutes to see everything we needed!

Our daughter's birth was easy, mother and daughter came home in two days and all was good. In about 10 days our daughter became very ill and had to be admitted into critical care. In about a week, she came home and we were full of gratitude for the care and love this small mountain hospital had given her. At that time, we knew Valley View Hospital was special.

Over the next 45 years, our family visited Valley View for stitches, bone breaks, X-rays, physical therapy, many minor surgeries as well as some serious conditions and major surgeries. We were always given extraordinary care and thoughtful, expert advice. When Valley View felt we needed to be referred for specialized care, they always pointed us in the right direction.

We were honored to become involved with Valley View's growth. Serving on early strategic planning efforts, leading small fundraisers, baking pies for the auxiliary, sitting on the Valley View board, searching for and hiring CEOs and finally becoming part of the Valley View Foundation, we've been "all in."

Supporting grants, establishing legacy gifts, contributing funds for robotics in The Spine Center and equipment for Rocky Mountain Urology Center, we know we are part of the Valley View family. We don't regret our contributions as we received more than we've given and will continue to do so. We encourage you to become part of the Valley View family. Give your time and your treasure. It's a pretty special group!

Summit Circle donors Jeff and Nancy Carlson have contributed much to Valley View for many years, from donating their time through service on the Valley View Board of Trustees, helping establish the Valley View Foundation and more. Thank you, Jeff and Nancy, for all that you do for our community!

Employee Donors Uplift Colleagues in Need

In November 2024, Valley View employees participated in a fundraising drive to benefit the Silver Lining Fund, Valley View's employee emergency assistance fund. Staff throughout Valley View came together to uplift their colleagues in need, raising funds for employees facing financial crisis. The Valley View Foundation is grateful to the following staff members who participated in the fundraising drive with a generous gift:

Kenia Arreola | Daniel Biggs | Monica Beck | Kim Bunn | Casey Rene Burris | Barbra Corcoran | Susan Cheney | Meggin Crawford

Valley View Continues to Expand and Renovate its Critical Care Unit

In 2024, Valley View began raising funds to support the renovation and expansion of its Critical Care Unit (CCU). Thanks to the generosity of our incredible donors, more than **\$600,000** was raised to benefit this project. Valley View is the only hospital in our region from Grand Junction to Denver offering the level of intensive care our CCU provides. Support from donors in our community helps ensure patients across the Roaring Fork Valley and beyond can continue to utilize this crucial resource and access critical care locally when it's needed most.

Updates to the CCU include the renovation of six of the initial 10 CCU rooms and the addition of three new rooms. In 2024, three new patient rooms, a new nurses' station, additional storage, and a small physical therapy area were completed in addition to a new family room, offering a dedicated space for family members or close friends of patients. In 2025, Valley View will undertake renovations of the six original CCU rooms, adding new technology to manage patient care, new floors, cabinetry and other aesthetic upgrades that support patient safety, experience and nursing workflow.

To contribute towards the expansion of the CCU, contact **Autumn Porter**, Gift Officer, at **970.384.6624** or by email at Autumn.Porter@vvh.org. Thank you for your support of this vital resource for our community!

Celebrate at the Summit Circle Reception

The Summit Circle is a leading group of philanthropists who have donated or pledged at least \$10,000 to support Valley View in providing superb, local and independent health care. Each year, the Valley View Foundation celebrates the generosity of our Summit Circle donors at an annual reception. This year, the reception will be hosted in August. Reach out to **Autumn Porter**, Gift Officer, at **970.384.6624** or at Autumn.Porter@vvh.org to join the Summit Circle today and receive information about attending the exclusive August reception.
