SPRING 2024

Elevating patient care with new advanced technology

The generosity of our donors continues to equip the expert care teams at Valley View with the tools and technology they need to provide world-class, cutting-edge care to the Roaring Fork Valley—and beyond.

This year, needs range from a bed warmer for newborns in the Family Birthplace who require an extra level of care, scoping equipment to evaluate urologic health at the Rocky Mountain Urology Center, 3-D mapping software to analyze complex arrhythmias for cardiac patients, support for the renovation and expansion of the hospital's Critical Care Unit, and more.

Your gift to the Advanced Technology Initiative truly uplifts the health and well-being of not only the patients at Valley View, but also our community at large.

Contact **Autumn Porter**, gift officer, at **970.384.6624** or by email at **Autumn.Porter@vvh.org** to learn more about the tools and technologies included in the Advanced

DID YOU KNOW: Valley View's network of care extends throughout the region?

In addition to our main campus in Glenwood Springs, Valley View has care locations in Aspen, Basalt, Carbondale, Eagle, Grand Junction, Silt, and Willits. Our remarkable specialists also travel to other hospitals, including those in Aspen, Craig, Meeker and Rifle, to provide care to patients in those communities. Having care close to where you, our patients, need it, matters.

SPRING into ACTION

Spring is here and with it we find ourselves springing into action to complete all the things we did not finish over the cold winter months. I can only speak for myself, as Valley View never takes a moment to rest. Valley View continues to

bring cutting-edge technology to meet the needs of our wonderful community. There is always something new happening in the medical world.

Valley View Foundation is also jumping into spring with many new philanthropic donors and new Summit Circle members. As always, we are so thankful for our supporters and Ascending Summit Circle members. We are excited to bring new donors into the Valley View Family. If you have any questions, we are here for **you**. We are all working together to make Valley View the **best** place for medical care in our Valley and beyond.

We welcome Rachel Schlepp to the Valley View Foundation Board as our new Treasurer. Rachel is a long-time member of the Foundation's finance committee and we are excited to welcome her to the Foundation Board. John Stelzriede is our new Vice President, relinquishing his role as Treasurer, and Nancy Peterson will continue as Secretary. We thank Stephen Mayer, MD, for his service on our Board. Marianne Virgili completed her term with our Board, following many years of service to Valley View. We are so grateful to her! A list of current Valley View Foundation Board members is included in this Spring Focus newsletter. Please reach out to any of us as we are passionate about Valley View and all it has to offer.

Wishing you all a fantastic **spring** and an even better **summer**! We look forward to hearing from our community members and supporters as we move into 2024!

Again, thank you all for your support. Valley View does not happen without a **community** to support its work!

Patricia Miely, President

Letter from Dr. Murphy

Valley View Chief Executive Officer

Thanks to you, our community of donors, Valley View continues to make a difference in peoples' lives, helping them receive critical, state-of-the-art healthcare close to home. It is incredibly uncommon for a community our size to have such a broad scope of services and compassionate team of world-class providers. These services and teams

allow patients to receive the highest level of care without having to travel far from home. We know when we work together we are best positioned to continue this work as the region's independent healthcare leader. Your generous gifts help make a difference every day in the lives of your loved ones and neighbors.

Valley View continues to respond to the evolving healthcare needs of our patients and community. In 2023, we opened our new Valley View Surgery Center in Basalt and new Valley View Physical Therapy facility in Carbondale. In addition, we welcomed new providers, including Scott Castle, MD and Stephen Williams, MD, urologists; Eric Gochanour, MD, gastroenterologist and hepatologist; Ethan Munzinger, MD, interventional cardiologist; Juliana Oliveira, DO, Spanish-speaking family medicine physician in Silt; and Caleb Seale, MD, physical medicine and interventional pain management physician. We also continued work with other hospitals, including Aspen Valley Hospital, Grand River Health, Memorial Regional Health, and Pioneers Medical Center, to bring Valley View specialists to their facilities so their patients can stay closer to their homes too.

Many of you have given generously to support cardiovascular care at Valley View, and we want you to know what an impact you've made. Recently our Heart & Vascular Center was awarded the esteemed American College of Cardiology's NCDR Chest Pain – the Myocardial Infarction Registry's highest-ranking Performance Achievement Award, receiving Platinum for 2023. This places Valley View's Heart and Vascular Center in the top five percent of Hospitals in the country for providing this level of specialized care.

Please know that you are making a difference in the care of our community. Your continued and expanded support saves lives and enriches the health of our community.

With heartfelt gratitude,

Brian Murphy, MD

Summit Circle Donors Make Valley View Extraordinary

“How fortunate are we to live in this beautiful valley! We delight in our majestic mountains, hiking and biking trails, winter wonderland and summer sunshine. But where we call home requires more than these glorious attributes of Mother Nature. We must have a world-class health facility to ensure a vibrant, sustainable community; because we know that if we have our health, we have everything. Our valley deserves that. And the place we call home deserves that, too. I hope you’ll join me in supporting our local hospital — an opportunity to enhance our community, together.”

-Cindy Engles, Mount Sopris Summit Circle Donor

Each year, the Valley View Foundation celebrates the incredible generosity of our Summit Circle members at an annual reception. This year, the reception will be held in August. Reach out to Autumn Porter, gift officer, at 970.384.6624 or Autumn.Porter@vvh.org to join the Summit Circle today and receive information about attending the exclusive reception.
