Thank you for your generosity!

2023 Highlights

- **458** individuals, families and companies made a gift to support the health of our community
- More than **\$1 million** raised to support innovation and excellence in care at Valley View
- Valley View employees donated over **\$38,000** to enhance patient care and uplift their colleagues

Your Giving. Your Impact.

“After hearing about the history and message not only about Valley View hospital, but the Foundation [as well], it was a no brainer [to give]. I see the effort and care that Valley View provides to patients and it is truly top notch. I am honored to be a part of this community and want to help out any way I can. As I lost my grandmother to cancer, the options and care available [in] the [Calaway•Young Cancer Center] is something I wish I could have provided her.”

Vascular Technologist and Summit
Circle Cornerstone Employee Donor

The Valley View Foundation is grateful for our community support!

In 2023, the Foundation was thrilled to announce several new endeavors that uplift the health and well-being of our region:

- The introduction of the Advanced Technology Initiative, which advances and elevates patient care at Valley View through the purchase of critical technology and equipment as identified by clinical teams
- Celebrating Nurses Week to recognize the contributions of the outstanding nurses that care for patients at Valley View
- Recognizing the resilience of survivors during the month of June, Cancer Survivorship Month

Thank you to the generous donors who make the work of Valley View possible with their support!
